Object of the declaration

Product: Extra large, extra-long hooded raincoat, black
EAN: 9331522388361
Material: PEVA
Construction: Hood, elastic cuffs, single front placket with snap fasteners
Package: 1 black raincoat
Intended use: Ordinary consumer rainwear for temporary protection of clothing during rain.
Fit reference: Height 170-195 cm and approximately 90-115 kg. These are sizing guidance values only; fit is not guaranteed.

Applicable European Union legislation

- Regulation (EU) 2023/988 on general product safety (GPSR).
- Regulation (EC) No 1907/2006 concerning REACH, including applicable restrictions under Annex XVII.

Conformity statement

The product identified above is declared to conform with the applicable general safety and chemical restriction requirements when used for its intended ordinary consumer purpose and in accordance with the supplied instructions and warnings.

No CE marking or professional personal protective equipment performance claim is made. The product is ordinary rainwear and is not intended for industrial, traffic, emergency-response, or other hazardous professional environments.

Safety, use and care limitations

- Keep away from flames, sparks, hot surfaces, and heat sources.
- Do not allow the hood to obstruct vision or hearing.
- Walk carefully on wet or slippery surfaces.
- Stop use if the PEVA material is torn, cracked, or a snap fastener is loose.
- Open and close each snap gently; do not pull directly on the PEVA sheet.
- Avoid sharp objects, strong solvents, and corrosive chemicals.
- Air-dry completely before folding and storage. Do not iron or tumble dry.
- Children must use the product only under adult supervision; the product is not a toy.

Declaration responsibility

This declaration is issued under the sole responsibility of the manufacturer, represented in the European Union by the authorised representative stated in this document. Product identification is based on the EAN and Part Number stated in this document.
