Conformity with Union legislation

The product is intended to be placed on the market and used according to its label, packaging instructions and applicable national authorisation requirements. Relevant Union legislation includes:

- Regulation (EU) No 528/2012 - biocidal products
 - Regulation (EC) No 1272/2008 - classification, labelling and packaging (CLP)
 - Regulation (EC) No 1907/2006 - REACH
 - Regulation (EU) 2023/988 - general product safety, where applicable
-
- Active ingredient declared in the product information: Dinotefuran 0.5%.
 - Use only indoors and strictly according to the product label.
 - Keep out of reach of children and pets; keep away from food, tableware and food-contact surfaces.
 - Packaging, classification, labelling and disposal must follow the applicable label and local requirements.

Name: YQY INTERNATIONAL CONSULTING

Signature and stamp:

A black and white image of a handwritten signature in white ink on a black background. The signature is stylized and appears to be a cursive representation of the company name or a representative's name.

Date: July 15, 2026

Formal market authorisation, classification and label wording remain subject to confirmation by the responsible compliance service and competent authority for the destination market.
