4. Object of the declaration

Description: Three-piece car seatbelt extender set, part number SeatbeltExt-3Len-R2, with lengths of approximately 12 cm, 23 cm and 36 cm. Made of metal, ABS and webbing, with black bodies/webbing, red release buttons and silver-coloured metal tongues. Intended only as an auxiliary seatbelt buckle extension where the original vehicle tongue is compatible. Before purchase and use, measure the original tongue: reference width approximately 20-22 mm and insertable length at least 30 mm. Package includes one 12 cm extender, one 23 cm extender and one 36 cm extender. This product is not universal for all vehicles and is not a device for improving occupant protection performance.

5. Conformity with Union harmonisation legislation

The object of the declaration described in point 4 is in conformity with the relevant Union harmonisation legislation:

- Regulation (EU) 2023/988 (General Product Safety Regulation, GPSR)
- Regulation (EC) No 1907/2006 (REACH)

References to harmonised standards

References to the relevant harmonised standards used, or references to the specifications in relation to which conformity is declared:

- General mechanical safety and compatibility assessment for non-powered automotive accessories
- Material safety assessment in relation to Regulation (EC) No 1907/2006 (REACH)
- Product-specific fit, locking and release checks according to the manufacturer's technical specification
